Once complete, Consort Place will provide new homes, a hotel, a new pub, an education facility and public realm. This CGI shows the public realm located on Manilla Street.

West Tower – Frame completed

The West Tower has topped out at 34 storeys. Last week the team gathered to mark the significant achievement.

Once complete, the West Tower will provide 139 new high-quality affordable homes. The housing association Clarion Housing Group will acquire the homes, which will include a mix of social rent, affordable rent and shared ownership homes.

The first homes should be completed towards the end of 2023.

The team are proud that the West Tower has now topped out.
